Nobles and ladies,

It's hard to believe that this is my 12th and final message to you as your Potentate; the year has passed very quickly. The summer was just a blur with all the activities; it seemed like we were on the road constantly, immensely enjoying it all, starting with the annual meeting and installation where we had a great time with so many of you.

At our visitations we did a change in our usual route with Friday lunch with the Panhandle Shrine Club in Sandpoint and dinner in Bonners Ferry with the Nobles and ladies putting on a great meal and again with great fellowship. Coeur d'Alene came next with a good turnout with Dave and Sue Garnett decorating with their usual innovative touches. The next week we were in Moscow with the Nobles and their ladies for a very nice evening with their new, and young, officers stepping up and making it a good meeting.

Then there was winter PNSA in Helena with sub zero weather but bright sunshine. It was a great meeting with important information on the hospitals and the Shrine. The Potentates had dinner with Imperial Assistant Rabban Sir John Cinotto and learned a lot about the donor relations department.

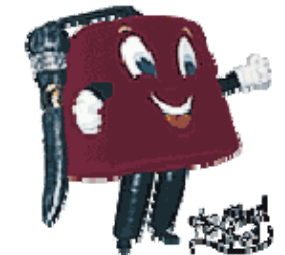

The summer had Summer PNSA in Butte, Annual Convention in Denver, Steak feed in Kamiah, Parades in Kamiah, St. Maries, Bonners Ferry, Osburn and Lewiston and I believe I have left some out. We attended the Panhandle Golf Tournament at Stoneridge Golf Club in Blanchard, Boundary County Fair in Bonners Ferry, and the fish feed in the Silver Valley. We represented Calam at the Grand Lodge of Idaho Annual Communication in Sandpoint and the York Rite Grand Lodge in Lewiston and were very well received by both bodies. The Ceremonial in Lewiston was a fun event where we brought in some new Nobles from around Calam country. The Directors Staff did their usual good job in taking care of the candidates who all

enjoyed their journey through the hot sands.

They were all good sports and joined right into the activities. Along with bringing in our new Nobles we also had too many Nobles meet the Black Camel. It seems that every year we are losing more Nobles than we are creating and as we leave 2011 behind let's take a moment to remember those Nobles.

December brought Christmas parties and we were able to join in to the festivities in Coeur d'Alene, Shoshone Shrine Club and the Panhandle Shrine Club. I was able to install the officers in CdA and Sandpoint and enjoyed that honor. I didn't get to in Shoshone because I missed the November meeting and they elected me Vice President so Assistant Rabban Rob Turnipseed got to do the honors since I was on the receiving end. One thing that was great this year was in not having to fight weather, read snow, in getting to any of the Christmas parties.

So as I close, Lady Fay and I want to thank you all for your friendship, fellowship, good advice and good times throughout 2011. I want to especially thank the Divan and their ladies for the help that they have given to us as they have been there when called upon for any reason.

May you all have a Happy, Healthy and Prosperous 2012.

Fraternally yours,
R. Dale Brown, Potentate
