

## Potentate's Message

Friends,

Wow...whoever says that time flies made an understatement. I apologize for missing the article last month. I was at Grand Lodge and time got away from me. We have a quarterly meeting coming up. It will be at the Moscow Masonic Lodge on Saturday, November 9, 2019. The meeting will start at 11:00. Please bring your Lady, and we will go to lunch after the meeting. Unfortunately, we will have to each pay for our own lunch, because there just isn't money in the budget for the Shrine to pay. Divan members please get there no later than 10:30, so we can talk about some issues that need the Board to make decisions. You should have received a separate email concerning this meeting last week.

Lady Theresa and I attended the Jobs Daughters International Visitation in Coeur d'Alene during October. It was a very nice experience. We made a donation to their travel fund to help the girls go down to Idaho Falls for their annual meeting in the name of Calam. It was very interesting lunch to say the least. While there I met a Past Potentate and Past Grand Master from California. He and his Lady are very nice and desire to participate in Calam.

The last thing I will talk about is not so fun. It concerns the budget. The good news is that we are under budget on what we have forecast we would spend. The bad news is that we are also way under budget on the

income side also. We are running a deficit, which we have done for many years, but now we don't have the membership to keep taking the deficit out of next year's dues. As I have said in the past, I do not want to pass this on to our next Potentate. He deserves to start off even. Fund raising is way behind what we predicted for this year. We have to make up the difference from somewhere.

Thank you all for all the support I have received this year. I am looking forward to more Fellowship in the future.

Yours In Faith,

*John Johnson*

2019 Calam Potentate

Greetings,

As we prepare our schedules for this most busy time.

Our membership numbers still need to increase before the end of the year.

Ask a former Noble if they would be willing to rejoin us?

Let them know they are wanted.

Ask a new Master Mason ... let's get them through the cold sands and active.

I reflect on some the enjoyment I've experienced this year as well as the speed these days and nights have passed.

Thanksgiving Day is approaching.

I would like to thank you for your help, hard work and fellowship given for our cause.

A place of fun for Freemasons and our communities.

A gift of hope from our Hospitals and Medical Staff for those children within our reach.

May these days find you well.

May this moment find you happy.

Sincerely ,

*Kirk Ross*

# **A Note From Your Legionnaire Commander**

On October 30th the LOH executive officers met at Jerry Johnson's home to draw the winning tickets on our meat raffle. The three tickets were drawn, and the winners were: Pamela Adams, Ekness Catering, and Dean Mulch. We wish to thank everyone who participated in this raffle. We did pretty well for the first time with this type of raffle. Our profit after paying the costs was \$266.00. We felt that this provided excellent advertising and support for the LOH and Calam Shrine.

We will be sending donations to the hospital travel fund, the honor flight for veterans, the incoming potentate and various veteran organizations. If you have any suggestions for an organization, please let us know. We will be planning for forth coming activities for the winter months and 2020 spring and summer parades.

At our next meeting, we hope in November before the Shrine meeting, will be a discussion on what to do with the go-karts. Bonners Ferry Shrine Club made a request to buy four of the eleven go-karts. We have a problem getting riders, so therefore we have to do something with the go-karts. Wallace Shrine Club would like to buy two go-karts. I believe we should sell two go-karts to each club. We will keep seven go-karts. At least each club will have a couple of go-karts in their pa-

rade. We can still travel with ours to participate in their parade. Please send me feedback on your feelings of the sale. Then we will get an OK from our Potentate to do the sale.

Election of officers is this month. It was decided to keep all officers in their same office for 2020, but is not concrete. If you would like any of the positions, please contact me or Jerry Johnson. The Commander's position is open to anyone that would like it. We have until the end of the year and can make changes.

We have talked about setting up the cookie wagon a day before and a day or two at the rest area just before Thanksgiving. We would not have it open on Thanksgiving Day. It is cold and a lot of people are traveling for the holiday and would like a hot cup of coffee. I would like feedback on this. We are also contacting the Hayden Parks and Recreation of selling soft drinks and hot dogs during sporting events at the ballpark next to CDA Shrine Club building. Want feedback on this too.
