

Potentate's Message

Greetings,

Here we are in July already and still so much to do. Each day is a new opportunity to try and better things as we can. To drink up the elixirs of life and share our time with those we care the about the most. This year's change of "what we do" has sure been a real effort. We have been working quietly, trying to plan future events for the Calam Temple and for our community's benefit.

As it is right now, I have tentatively scheduled a quarterly meeting for Saturday July 18th in Moscow at 1pm? We still have no official word as to when we can meet collectively and get back together to work as Masons and Shriners. The "wait a time with patience" can kind of wear on a guy, but it is what we have been given so that is what we do. I will notify you by phone and email (as soon as possible) if this quarterly meeting can take place on the 18th of July.

I have been in contact with Jody Jordan owner of Jordan World Circus and checked on their wellbeing. Jody assured me they will be ready for the 2021 season and I asked him to work up a contract for us and I expect that in the next few weeks.

I have received another petition and check so we can have another Brother be reinstated into our Calam Nobility. Please keep up the excellent work Gentlemen. We are blessed that our communities have been supportive of Calam Shriners and are willing to

help us as we continue on.

As for the Imperial Sessions, there will be a vote taking place Saturday July 11th and time set aside if need for Sunday July 12th by electronic ballot. Our Imperial Leaders are working hard to make this happen smooth and efficiently, so please keep them in your thoughts.

Stay well my friends

Yours in faith,

Kirk Ross

A Note From the Chief Rabban:

DON'T GIVE UP!!

Never Give Up. Just Keep Swimming. Keep Calm and Carry On. It Gets Better. Don't Quit. Success is a Journey, Not a Destination.

This list can keep going and going but I think you get the idea... this year has been like no other, not since the years of 1917-1918, World War 1, World War II and definitely not within my time as a Shriner.

Wherever you, your club, and your community may be on the road to "normal". Please remember you are amazing, your programs are important, you are not alone, and be kind and expect kindness.

All things change, we know this now more than ever... But that also means no matter how rough today may be, I believe tomorrow will be better. If we can maintain this outlook throughout this and make the most of what we can salvage of this year, we will be the better for it, as we move into years to come.

So please remember my dear Friends, Colleagues, Brothers and Sisters you are in the 'Shrine Family" and we are all just a click, call, text or Zoom session away, and we are here for each other. Never be scared to reach out, as that action may become the inspiration for others, and together NOTHING IS IMPOSSIBLE.
