

Monday Message #8

Hello All,

In this week's Monday Message, is going to be a little bit shorter than normal.

I am excited to report that most of our Clubs and Units are starting to meet again, so please be sure to be on the lookout for communications from our Club/Unit officers about upcoming events.

On the Calam Calendar, we are still hopefully looking at our first public event to be the April 3 "Temple Birthday Party" and then followed very quickly by the April 10th Quarterly Meeting in Moscow and then the April 24th Ceremonial in Clarkston/Asotin... However, all three of these events are still only tentative because of the ongoing pandemic... BUT I am truly hoping these events will happen.

To make these events happen... requires YOUR support; the biggest need right now is for candidates for the Ceremonial? Do YOU know of a good Master Mason who is not yet a Shriner...? if so PLEASE reach out to them and let them know all of the amazing benefits of being a Shriner. Membership petitions are available online, from any Divan member, or the Temple Office.

Most Sincerely,
JIM
