

## Potentate's Message

Greetings All,

To the thirteen friends, and you know who you are, who were able to attend the 2021 Potentate's Trip to Wenatchee/Leavenworth/Lake Chelan, THANK YOU for an amazing trip, and memories that will last a lifetime.

To the rest of the Nobility and our Ladies/Partners, there are MANY MORE opportunities in the future for you to get involved, at the local and regional level. Please keep an eye on the online Calam Calendar as we update and add events, I don't see anything on the calendar for June 19<sup>th</sup>... can anyone fill in that weekend with an event the Temple can attend?

I am sad to report that the Spartan Race that I had hoped to run in South Idaho on June 26<sup>th</sup> as a competition between Calam and El Korah is not going to be offered by Spartan Races this summer. HOWEVER, I hope it returns in future years and if it does, I will encourage the Temples to participate!! With Idaho moving into "Stage 4" we no longer have restrictions on social events, and with the updated CDC guidance on gatherings, I am making the assumption that all of our Clubs and Units have resumed their regular meeting schedules and that most of our late summer and fall community events will be occurring. Please make sure that myself, the Divan, and the

Temple Office are aware of any upcoming events where WE can have a positive impact on our communities.

Remember that the theme this year is "Champions of Change" and that means we need to find new and creative ways to engage with our communities, and to not be afraid to make adjustments to our traditional programs so that we can continue to be invested in our communities, support our mission, and to continue to serve where the need is greatest.

Sincerely,  
Jim Logan  
Potentate

# From Your Legion of Honor Commander

Hello Legion of Honor Members and Nobles,

It is good that we can start having meetings again. LOH had our first meeting at the Shrine club with snacks to enjoy. Plans to have get togethers once or twice a month open to members, wives, nobles and friends. We'll let you know when.

Discussion over parades for using Gokarts were brought up. We had one parade in Asotin, Washington. Four karts were taken down and ended up with two running. They ran well before loading into the trailer, but once there, two would not run. At least we had a showing. What it comes down to is we have to pull all the karts out and get them running. Noble Hatfield was placed in charge of organization of the parades. We still do not know if the cities are going to have parades this year or not. We still need help at the parades obtaining donations for flags if it is a go and riding karts. One of the vents on the kart trailer is falling through and I will replace it with a different type of vent to keep air circulation in the trailer.

Jerry has started the meat raffle. We need your help in selling tickets at \$5 each. We will send you some tickets to sell and even purchase some yourself. They make nice gifts.

The Shine board backed out of organization for the flea market and LOH has taken it over. We need volunteers and we plan to tip the volunteers \$50 per day for their expenses. I talked

to the Eastern Star Matron and they are considering helping at the flea market. We will have booths set up for the Star, Masons, and Shriners for advertising the organizations. We need to get the cookie wagon cleaned up and get it ready to sell hot dogs, popcorn and other items. The wagon is where we need the major help. More to come on needs. Jerry and I are trying to get it well organized. Plans are to have two days on Thursday June 24th and Friday the 25th. Those days only as Grand Opening renting 10 x 10 sites for \$15 per day. Afterward, rents will be \$30 per day. We feel it will be a great fund raiser. Please reread May Clarion which has more information of the flea market.

# LADIES CORNER

Hí Nobles and Ladies,

Summer is upon us! Halleluiaah!!!! And with summer comes parade season in our local communities! Our clubs and units will be busy tricycling and riding and playing music for the entertainment of thousands of people at each venue! The Nobles cannot do it alone! Thankfully the Ladies are allowed to participate too! Whether riding in the parade or shouting and waving support from the roadside, we can share the love and energy that Shriners generate!

I had the pleasure of riding in the Riggins Rodeo Parade on May 2. We had several adult tricycles, we had a few Tin Lizzy's, a couple of pickups and the trailer all promoting Shriners and the great work they do for children. Lady Tami Rowden was the driver of the 3-wheeler and Lady Kate and I rode in the trailer and waved at the spectators! It was wonderfully gratifying to hear the crowd "thank the Shriners" for all that they do for children. Along the route, one lady ran out to the trailer and handed us a donation for the Hospital. Thanks to the "Shriners Logo" and the familiarity of the Shrine Fez most spectators knew right away what we represented.

The same is not necessarily true for many other Masonic organizations. During the Potentate's trip this past weekend, Jim overheard a vendor point at the Eastern Star shirt I was wearing and comment that I must worship the Devil. Thankfully Jim was able to stop and educate this individual about the values of Eastern Star.

Getting out in the public, educating people about the good works we do is ESSENTIAL in our communities and for the future of our organizations. Thankfully Shriners have recognition of their logos. But it will take all of us continuously and proudly displaying our pins and shirts and jackets all the time (not just at parades) to keep people aware of all the good we do.

Star Wishes,  
Lady Joan
