

Potentate's Message

Nobles and Ladies,

I want to start out by thanking our Divan Members for their hard work this past month. They have had a tough job trying to replace the Temple fundraisers that have been lost over the last few years, but they have risen to the challenge. It is so important to generate more activity and participation to break through some of the effects of Covid. Oriental Guide Loren Knight and the Calam Legion of Honor held a Corn Hole Tournament at the CDA Shrine club building and had a great turn out for a first-time event. They partnered with one of the cornhole associations to put on a great tournament and the LOH served up some BBQ for lunch. The cornhole teams loved the venue and it opened the opportunity for the event center to host more events in the future. Assistant Rabban Kenny Buckner hosted the Second Annual Cornhole Tournament and Hootenanny down in Lewiston. A local brew pub provided the location again this year and by all accounts they had a great time and were able to raise some money for the temple. Please take the opportunity to thank a Divan Member and their families for spending so much time to help keep our Temple remain successful. It is a huge commitment in time and resources to serve us and they deserve our heartfelt thanks.

We are approaching what would traditionally be our Ceremonial season for Calam Shriners. We currently have a few new Master Masons with petitions, but we won't have quite enough to justify the cost of putting on a ceremonial for them. As of right now we are planning to Fez these few new Nobles at a Joint Ceremonial with El Katif in November. We have time to turn this around. If you know of someone who would be a great fit for Calam Shriners let's encourage them to get their petition in. Each club and unit should consider helping these new Nobles out by sponsoring their dues if they will also become a member of the club or unit. Our clubs and units drive Temple Membership and the Temple drives membership for Shriners International.

I had an opportunity at Summer PNSA to speak with Imperial Sir Tim Forbis and he said the most rewarding

thing in his year travelling for Shriners is meeting all the amazing Hospital Patients. Meeting children that are thriving and succeeding despite so many challenges and seeing the change that Shriners Hospitals has made in their lives is what sticks out to him as the most rewarding. I would echo his thoughts and use them as a reminder to all of us when we are worn out or struggling that this thing that we do together called Shriners has an unbelievable impact on close to a half a million children a year. In some cases, the care that we help provide will be the reason that a child can walk again. It doesn't get any better or more profound than that. Whatever your reasons for being a Shriner, you make an impact and leave a legacy for generations to come. Thank you for being the kind of person that would choose to spend their limited time and resources to be part of such an amazing cause.

Lady Elle and I hope that everyone is enjoying an amazing summer and good health. We are so grateful to be a part of this with you. Thank you for letting us continue to serve!

Yours in Faith,
Dustin Hatfield

Hot off the Recorder's Desk

Hello Calam Temple,

This message is coming hot off the heels of a wonderful summer meeting of the Pacific Northwest Shrine Association (PNSA). While at the conference, I was able to meet with my Recorder counterparts from several other Temples and had some truly amazing conversations with them.

I have a very quick favor to ask every Noble, PLEASE log into WebFez and make sure your contact and historical information is up to date. We have a lot more gaps in this database tool than we should have, and we need to get this data up to date. <https://webfez.shrinenet.org/> is the web address and follow the instructions to either Register if you have never logged in before, or if you have, log-in and make sure the details of your account are correct.

Most Sincerely,

Jim Logan
Acting Recorder
Calam Temple.

A Note from the Legion of Honor Commander:

Hello Brother Legionnaires and Nobles:

We will again meet at 9 a.m. at the American Legion in Post Falls on September 18th. We had a good turnout with a great breakfast. Nobles are invited. It is not a closed meeting in a separate room. Good time to bring the wife to have breakfast and not have to make it for you at home.

Karts are still up for sale for \$300. Let's keep them in the Shrine organization. Call Jerry or me if interested. We are asking all lodges and clubs to consider buying two karts for parades.

The cornhole event was a success. It was a long day, but all had fun. We made a little profit on the food and the bar did well. We know what to do for food service next time. Always learning. The professional players commented that they would like to continue using the Shrine Club facilities for future games. They thought it was the greatest place for their event, it had everything. It will bring in more players. This could become a big event for the future. A lot of events were going on all over the area with a cornhole event in Rathdrum. We should get those players next time. A number of visitors got to try their throwing skill and had a ball. One of the players had their 8 yr. old daughter in attendance. She and Herald made lemonade and she put a sign on her chest and went amongst the visitors and sold a glass for 50 cents. She made a very good profit and gave half of her profits to the Shrine Hospital. What a wonderful little girl. We all loved her. Through her, Beth started selling lemonade/vodka drinks and will add it to the bar menu. For all those that volunteered for help with this event, many thanks. Don't sit at home for the next event, come help and have fun. Meet many people. Without volunteers we do not have an organization. One main thing that came out of

the event was that one person is petitioning the Masons and is on his way to Shrinedom.

For Legionnaires: We STILL would like to print for the Shrine members something fun, exciting, dangerous, love story about you, or whatever when you were in the service. You heard from me and Johnson so let's hear from you.

This also is a reminder of High 12 meeting on the last Monday at 11 AM. Check with Wally Adams 208-661-1503. Location at the Best Western Coeur d'Alene Inn on Appleway.
