

Monday Message #19

Nobles and Ladies,

Apologies for missing an update last week. Lady Elle and I enjoyed a great meeting with the CDA Shrine club and spent quite a bit of time getting things ready for the Circus along with the rest of the volunteers. We finished the week by starting our flying adventure from Idaho to the Florida Panhandle. We stopped in such wonderful locations as Big Timber Montana, Rapid City, SD, spent a few days waiting out weather somewhere in Indiana, stopped in world famous Dodge City, then Bowie Texas before finally hitting our first planned visit to Pineville, La. The last day we made a quick run to my brothers in Panama City Florida after dodging some military airspace. Once we made it south of Nebraska, we finally experienced some good ol' fashioned summer weather!

We've really enjoyed visiting family and seeing plenty of advertisements for local Shrine activities along the way. If we had been able to afford the time there were several Shrine Circuses, a car show, and a Shrine Bike rally along the way. It's great to see the Shrine is alive and well all over the U.S. Speaking of activity, our Shrine Circus is right around the corner. Our Circus Committee has been plugging away and you should start to see the posters out and hear our ads on the radio. They've done an amazing job on getting sponsors and the local public excited about having the Circus back in town. Let's show them how thankful we are for all they do by showing up to volunteer and show our Fezzes at each show. It should be a really great year for us and a good time.

We are still looking to recognize some of our outstanding Nobles. If you have someone you think could be worthy of Shiner of the month, please send one of our Divan Members a quick note. It doesn't take much effort. We will accept email, text, Facebook, phone calls, handwritten letters, smoke signals, and carved stone tablets.

We've missed all of you and can't wait to see you at our Circus next weekend.

Happy Summer!
