

Nobles and Ladies,

Lady Elle and I are writing from Minneapolis where we are enjoying the 2022 Imperial Shriners Session. It is really fun to see close to 1000 Shriners in one spot, catch up with old friends, and make some new. We will give a full report on legislation at the end of the week once the session is closed and share some of the exciting things happening in the fraternity and our hospitals.

Today Jim Logan PP and I will be headed to the Membership Honors lunch and will pick the Bronze Award for Calam. Lady Kate Graves and Lady Elle will be enjoying lunch at the Imperial Ladies luncheon and then Lady Elle has a meeting to find out more about the new Shriners Patient Alumni program. Tonight is the big parade where Shriners will take over downtown Minneapolis and dazzle with all the fun units and vehicles. We've already seen a super-size radio flyer wagon that fits 20 people and an old jalopy car that looks like it drove off the set of Beverly Hillbillies. We are excited to see what else everyone brought to show off.

Lady Elle and I enjoyed visiting with the High Twelve group in CDA last week and had a chance to share some of the exciting things happening at our Spokane Shriners Hospital. If you're interested, the High Twelve meets at lunchtime the 4th Monday of the week at the CDA Inn for lunch and sometimes interesting speakers.

Our session is about to begin so I need to sign off but please come down to Lewiston next weekend. The 16th is our quarterly meeting at Nez Perce lodge at 10:30 and we will find some lunch afterwards. We have a lot of business to take care of and I hope everyone can make it.

Until next week,
