

Nobles and Ladies,

Another week has passed us by and unfortunately, we lost another great Noble from Calam, our own Gary Floch PP. I will pass on any service details as they come in so we can honor him when the time comes.

We are in the part of the summer that feels like we've all been re-located to the Sahara Desert. I hope everyone is being safe and healthy this summer during our busiest season. We have plenty of Shrine Activities coming up so please leave room on the calendar for some fun and fellowship. I would like to quickly thank those Nobles that took the time to travel to Asotin last weekend to welcome two new Master Masons to our ranks. What a way to show Shrine support of our Blue Lodges.

Upcoming activities:

Cornhole Tournament CDASC Event Center Aug 13th, starts at 10:15

Summer PNSA Seattle Aug 18-20

Idaho Grand Lodge Sep 15-18 Pocatello

Corn Feed Hells Gate State Park Sep 17th

Garnett Family Spaghetti Feed CDASC Event Center 6 PM Sep 24th

Calam Trip Las Vegas and Shriners for Childrens Open Golf Tournament Sep 2-9

Another activity of note, Kootenai Lodge 24 will be doing its outdoor Master Mason Degree, Mason on the Mountain, in Coeur Dalene on Sep 24th. I understand that the incoming Grand Master and some of his officers will be in attendance to help welcome two new Master Masons. If you haven't participated in one of these, it is quite an experience. I should have more information about this event shortly if you're interested.

Lady Elle and I will be taking a brief but much needed vacation next week but will still be available via email and limited phone. We hope everyone is getting the most out of their summers. It is such a blessing to live in such an amazing area and have such amazing Shrine friends. We are looking forward to Summer PNSA, reuniting with old friends, and enjoying some more fun and fellowship. We hope to see you all soon.

Yours in Faith,
