

## Monday Message #18

Nobles and Ladies,

We are starting to see some warmer weather (sometimes) and Ill go out on limb and say Summer is here! I'm sure everyone is looking forward to enjoying fun and sun. Before your schedule gets too crowded think about spending a few hours volunteering for the Shrine Circus. We could use 8 people per show to help check tickets, greet customers and someone to man the membership booth. If you haven't had a chance to participate in the past, it is a very rewarding event to help out at and doesn't take much of an effort other than a handshake and a smile. It is great to hear from attendees how their family was helped by Shriners in the past. Again, the Circus will be in Lewiston the 9th and 10th of June and on the 11th in CDA. If you would like to volunteer in Lewiston, please reach out to Kirk Ross PP and for CDA please contact me. We are just a few weeks out. You should see Circus posters up soon, radio ads going, and hard tickets on sale at Rosauers and Super 1.

We hope everyone had a great Mother's Day. Thank you all of our mothers!

Elle and I had a few activities this week. Elle attended her Daughters of the Nile meeting with several of our Ladies including new Princess Virginia Mize. Dave Bundy PP and I just finished up with the monthly Board meeting at the Spokane Shriners Hospital. It was great to see our Imperial Rep. Imp. Sir Richard Burke in person. We can share more at a club or quarterly meeting, but the Spokane Hospital is really punching above its weight and continues to be among the leaders in the Hospital system. We are seeing the patient numbers start to increase after a slower January to March and things are starting to get busy. The Hospital has reversed the employee losses from last fall and is rapidly filling its shortfalls.

I will update everyone hopefully later this week on new dates for the Carnival Fun Day. We have parades and summer events coming up in our local areas soon. We hope to see you out there!

Yours in Faith,
